CAREERS For People with Disabilities, Inc. is a not-for-profit organization that finds productive employment for individuals with learning, developmental, psychiatric and/or physical disabilities. We also provide extensive on-the-job training and ongoing support services and case management. CAREERS' fundamental mission is to assist its clients in achieving the satisfaction of sustained, gainful employment within their communities, regardless of their religious, cultural or national background.

For 27 years, we have continued to be creative in meeting the needs of our clients and their families. This past year was one of continued expansion and we are very pleased with the success of our new programs that continue to evolve to meet the needs of the community.

- In 2014, CAREERS secured 124 new job placements and 16 internships for individuals with disabilities throughout Westchester and Putnam Counties. With our ongoing, long-term support, we helped the majority of our clients retain their jobs with a 73% annual retention rate.
 - CAREERS provided supported employment services to 350+ individuals in need.
 - Our High School Transition program provided services to 240 students; placing 43 in new jobs.
 - CAREERS coordinated Disability Mentoring Day in both Putnam and Westchester Counties for the third year by matching 33 disabled individuals with mentors from varied county government departments to gain workplace experience in diverse positions.
 - Our Ambition In Motion (AIM) day habilitation program without walls provided workplace readiness skills and community activities to participants who are not yet ready to participate in a traditional supported work program.
