The Best Results For You...

Personalized services and support
through a variety of programs funded by
ACCES-VR, OPWDD and OMH:

Supported Employment Program

Creative job placement, on-the-job training and ongoing assistance for as long as necessary to maintain employment.

Workforce Readiness Program

Classroom instruction to provide skills needed to apply for and obtain employment, and to manage personal finances.

School-to-Work Transition Program

Workforce Readiness classes tailored for students and site-based internships designed to ease the transition from the classroom to the workplace.

Ambition in Motion (AIM) Program

Day habilitation without walls program. Participants learn work and interpersonal skills while volunteering in the community.

Pathway to Employment Program

Prevocational assessment to help individuals discover their strengths and interests by volunteering at local jobsites.

Employment Training Program (ETP)

Increased job coaching and support to learn work skills in a paid internship that can lead to permanent employment.

Community Prevoc

Learning skills to build on strengths and overcome barriers to employment.

"Amy is thriving in a paid internship at a local hotel - thanks in part to CAREERS for all the help and confidence building! I tell EVERYONE how amazing your agency is!!"

Amy's mom, Michelle

EMPOWERING PEOPLE

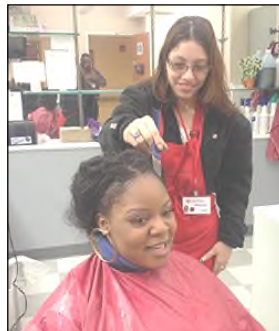

"CAREERS helps Tom when he needs help, and they give him the confidence to perform to the best of his ability..."

Tom (center), a CAREERS client since 2007, with his brother (left) and his Employment Specialist.

"CAREERS gave me a shot when no one else would."

Ben, CAREERS client since 2012.
