KAREN BROWN

Dear Friends, Families and Supporters,

We are grateful you have joined us to thank our supporters and celebrate our client's hard work and successes!

CAREERS began in 1987 when a group of parents came together to create a not-for-profit to help their adult children with disabilities find meaningful work in the community. Our services have grown since then to include specialized programs for developmentally disabled adults not quite ready for work, our High School Transition Program, On Course for College for students graduating and our Seniors Program. One thing remains the same – we continue to provide our services **FREE of charge.**

Tonight we celebrate the work anniversaries and accomplishments of our incredible clients. We also thank our dedicated employers, our talented staff and loyal supporters. **You all enable us to provide our life-changing programs and personalized services.**

A heartfelt thank you to all of our sponsors, especially PepsiCo EnAble, who is returning as the Premier Sponsor for the 20th year so all funds raised will go directly to our programs. We also appreciate the support of all of our journal ad donors.

**Many thanks to all our supporters
and congratulations to our
hard-working clients celebrating
work anniversaries!**

Sincerely,

The Adobe Acrobat logo is a stylized red ribbon that forms a large, fluid letter 'A'. It starts at the top, loops down and to the left, then loops back up and to the right, crossing itself to form the top and right sides of the 'A', and finally loops down and to the left to complete the shape. The ribbon has a slight 3D effect with shading.
