Dear Friends, Families and Supporters,

Thank you for joining us to celebrate and honor CAREERS' clients, families, supporters, and staff!

When we began 38 years ago, few resources existed to help families of adult children with disabilities find meaningful work. Fortunately, a group of parents came together and founded CAREERS. Since then, we've grown significantly and in addition to our main supported work program, we offer specialized programs for developmentally disabled adults who are not ready to enter the workforce. One thing remains the same... **we continue to provide our services FREE of charge and for as long as each person needs them.**

This event is an opportunity to acknowledge the work anniversaries and accomplishments of our clients - all of whom deserve to be celebrated. We also honor our dedicated staff whose commitment is the foundation to our clients' success and wish to express gratitude to our generous donors who we could not do without.

Finally, we want to express our gratitude to our sponsors, journal ad donors and especially to our Premier Sponsor, PepsiCo EnAble, who is proudly returning for their 21st year. **Thank you all for helping us make a lasting impact on the lives of people with disabilities throughout the Hudson Valley.**

Congratulations to all of our hard-working clients!

Sincerely,
